Tire Pressure Detection System

RFP UK-2153-21

Closing Date: 04/23/2021

Today's Date: 04/09/2021

No.	Question	Answer
1	Is there space in the existing roadside WIM cabinets that is available for the Tire Pressure Detection System electronics to be installed? If so, how much?	Our current WIM cabinets have limited space availability for additional equipment. The vendor should plan for not having existing cabinet space onsite and develop their proposal accordingly.
