Closing Date: 06/14/2023

Today's Date: 06/02/2023

No.	Question	Answer
1	We do not operate a production facility in the state of Kentucky, we will staff full time, experienced employees on site for the life of the contract with the resources needed to be successful. Does this disqualify us from participating?	No
2	Please provide the projected annual spend range for this RFP.	Unknown
3	Please provide an average annual spend for the last three calendar years.	2021 – 595K 2022 – 1,540K 2023 – 1,637K
4	Is your intent to contract with a sole source provider, or will you divide this up beyond permanent and temporary?	Please refer to section 2.1 of RFP, Intent and Scope
5	For pricing attachment b, please provide an example of a final product for section U.	It is a glass incased directory letter board
6	For pricing attachment b, please provide an example of the current hardware used for section V1.	Printed on heavy mess vinyl, has gourmets every foot or two and is installed via heavy duty wire ties to existing cables.
7	For pricing attachment b, please provide an example of a final product for section V2.	Printed on a stretch fabric material using a large format dye-sublimation printer. The material has a rubber gasket-like material that fits into an existing frame. It has to be replaced once a year or so
8	For pricing attachment b, please provide an example of a final product for section V3. Please double check the description of this line item as well	Like that huge media backdrop banner, the giant adhesive interior wallpaper (aka wall murals, Section V3) is something that falls equally into environmental design, and as such has a strong design component that requires advanced fabrication and installation skills. Large scale environmental graphics.
