RFP UK-2388-24

Closing Date: 11/30/2023

Today's Date: 11/13/2023

No.	Question	Answer
1	Is the scope of this RFP our Trauma & Foot and Ankle Reconstruction portfolio?	Yes.
2	There are no specifications for an All Play, TriSource, Dual or Sole award? Is UK considering these options; or how is UK evaluating the financial responses?	Submit all. Reads we are looking to do business with "vendor(s)" but I would say trisource.
3	I thought that Aptitude was running this RFP, and would be providing overall utilization in this category, I am assuming this is now not the case – can you provide overall utilization so we can assess this space within UK? I can let you know the date format we would prefer.	You mean total spend? See next answer.
4	What is the total value of this portfolio for UK Annually?	\$6M
5	The initial term is 2 years, will UK consider 3 years?	Let's do 2 and we have renewal options.
