

Price Contracts - Sorted by Vendor

Last Updated: Tuesday, May 7, 2024

Below find the official, price contracts for University purchases.

University price contracts statutorily comply with the Kentucky Model Procurement Code.

University employees should utilize these contracts as first choices when sourcing goods and services.

If you do not see a price contract for a needed supplier or commodity, contact the respective contracting officer for guidance.

To search for a particular commodity, vendor, price contract #, etc...type CTRL+F to activate a find search box.

Type in the keyword(s) you are searching for, and view the highlighted results below.
