FORM OF PROPOSAL

AUTHENTICATION OF BID AND STATEMENT OF NON-COLLUSION AND NON-CONFLICT OF INTEREST

I hereby certify:

1. That I am the Bidder (if the Bidder is an individual), a partner in the Bidder (if the Bidder is a partnership), or an officer or employee of the bidding corporation having authority to sign on its behalf (if the Bidder is a corporation).
2. That the submitted Bid or Bids covering Capital Construction Procurement Section Invitation No. **CCK-2564.0-22-26** have been arrived at by the Bidder independently and have been submitted without collusion with, and without any agreement, understanding or planned common course of action with, any other contractor, vendor of materials, supplies, equipment or services described in the Invitation to Bid, designed to limit independent bidding or competition; as prohibited by provision KRS 45A.325;
3. That the contents of the Bid or Bids have not been communicated by the Bidder or its employees or agents to any person not an employee or agent of the Bidder or its surety on any bond furnished with the Bid or Bids and will not be communicated to any such person prior to the official opening of the Bid or Bids;
4. That the Bidder is legally entitled to enter into the contracts with the University of Kentucky and Turner Construction Company and is not in violation of any prohibited conflict of interest, including those prohibited by the provisions of KRS 164.390, and 45A.330 to 45A.340 and 45A.455.
5. This offer is good for 60 calendar days from the date this Bid is opened. In submitting the above, it is expressly agreed that upon proper acceptance by the Capital Construction Procurement Section of any or all items Bid above, a contract shall thereby be created with respect to the items accepted.
6. That I have fully informed myself regarding and affirm the accuracy of all statements made in this Form of Proposal including Bid Amount.
7. Unless otherwise exempted by KRS 45.590, the Bidder intends to comply in full with all requirements of the Kentucky Civil Rights Act and to submit data required by the Kentucky Equal Employment Act upon being designated the successful contractor.
8. That the bidding contractor and all subcontractors to be employed do not and will not maintain any facilities they provide for employees in a segregated manner, and they are in full compliance with provisions of 41 CFR 60-1.8 that prohibits the maintaining of segregated facilities.
9. In accordance with KRS45A.110(2), the undersigned hereby swears under penalty of perjury that he/she has not knowingly violated any provision of the campaign finance laws of the Commonwealth of Kentucky and that the award of a contract to the bidder will not violate any provision of the campaign finance laws of the Commonwealth of Kentucky.

C.	SPECIFIC SCOPE ITEMS
1.	This contractor is to coordinate with the TC-033 Technology Contractor to provide a complete and functional low voltage system.
2.	Perform all electrical startup and testing of new Technology systems including emergency systems as outlined in the Contract Documents and per Governing Codes required to verify correct system operation including proper coordination of system interruption ratings. Testing shall include but not limited to all visual and performance testing as required by the contract documents and industry standards. Installation, testing, and inspections shall be scheduled by area as sequenced by the Construction Manager, in order to not delay the progress of other trades. Multiple tests, comebacks, or inspections as may be required for this coordination are to be included. Provide all Telecommunication equipment nameplates/labels including all owner furnished equipment.
3.	All pathways and backboxes for this scope are provided by TC-033 Technology package. TC-043A shall include and prioritize multiple early mobilizations to the site to review pathways installed by TC-033 Technology. TC-043A is to understand that these pathways are coordinated via the BIM, will have multiple offsets, and can go between floors to serve the devices shown. This contractor shall include all cabling lengths as needed to follow the pathways provided. No additional cost will be entertained if routing of pathways is not as was anticipated by TC-043A.
4.	This contractor shall provide all category and fiber cabling, including faceplates, for devices labeled with an "-MS" identifier on the IT drawings. This contractor shall also refer to MS drawing set to ensure that the entire scope of devices and faceplates is captured. Include all pulling and terminating of category and fiber cabling end to end. Coordination between the IT and MS drawings is required. Additional cost will not be entertained from failure to coordinate between these drawings sets.
5.	This contractor shall provide all category and fiber cabling required for all AV devices as specified on the AV equipment legend and per the AV drawings. These category and fiber cables are in addition to those shown on the IT floor plans. Include all pulling and terminating of category and fiber cabling end to end.
