

UK-2622-27 – Attachment A

Instructions	
1	Item information is located in Columns A-B.
2	Please place a "1" for "Yes" or a "0" for "No" in Column C expressing your Company's ability to accept and market each individual item as part of the comingled material stream.
3	Indicate any special handling, collection, or additional information regarding the acceptance of the item in Column D. Example: whether lids should be left on plastic bottles.
4	Add any pertinent materials not indicated on the worksheet at the bottom of the table.
